Wounded By a Pistol in the Hands of a Companion.

### CLAIMED TO BE AN ACCIDENT

Evidence at Preliminary Hearing Results in Comrade Being Held for Trial.

(Special to The Times-Dispatch.)  
SPENCER, N. C., August 2.—John Faulconer, aged 16, an apprentice at the Southern Railway shops here, was today shot and it is believed fatally wounded by Kenneth McCormick, of the same age and occupation. The boys were in their room and were playing with a pistol, and it is claimed the shooting was accidental. McCormick was playfully snapping the revolver at Faulconer when like a flash the latter fell to the floor with a bullet-hole entirely through his body near the heart. He was immediately removed to a hospital in Salisbury, where an operation was performed.  
At a late hour to-night his condition was reported extremely critical, there being little hope of his recovery. Faulconer was an orphan boy and came to Spencer from Richmond.  
McCormick was taken into custody by officers and is being given a hearing to-night. The evidence obtained warrants the officers in holding the lad for the playing of his playmate.

### NORFOLK RACES.

Estrella Wins the Leading Harness Race.

(Special to The Times-Dispatch.)  
NORFOLK, VA., August 2.—The races at the State Fair to-day were run in the presence of fully 8,000 turf enthusiasts. In the harness race Estrella won the first heat, Otaniana Guard the second, Grace K. the third and Estrella the fourth. In the fifth heat, Grace K. won the first heat, Otaniana Guard the second, Grace K. the third and Estrella the fourth. Estrella took the sixth and last heat by a margin of 100 yards, and was declared the winner of the race.  
The scene was suggestive of a great triumph on a metropolitan course, so vast was the enthusiasm. People shouted and waved their hats and umbrellas. It was man and woman paying homage to the horse, and well they might, for it was a splendid race.  
Miss Gleam won the 2:30 pace with ease in a field of nine.  
John F. A. green pacer, barely escaped the distance flag in the first two heats in the 2:40 class pace, but grasped the lead in the third heat, and won the race. Harassing from the steeplechase for hunters from Palm Room, when the latter dropped on his hind quarters as he entered the main stretch. The race was most undetermined up to this point.

## SAN JUAN UNDER CONTROL OF MOB

(By Associated Press.)  
SAN JUAN, P. R., August 2.—As an outcome of a longshoremen's strike for an increase of wages to twenty-five cents an hour, most of San Juan was under the control of a mob between 7 and 9 o'clock last night. The mob, consisting of a thousand armed persons, fought the police, who were armed with rifles, and fired scores of shots, mostly in the air.  
One person was killed and forty injured, three or four of whom may die, are in the hospital.  
At noon to-day the situation was quiet. Soldiers remain in barracks ready for any emergency.  
Governor Winthrop says if necessary the police will shoot. Thirty-five leaders have been arrested.

## TELEGRAPHERS OUT; TRAINS STILL RUNNING

(By Associated Press.)  
ST. PAUL, MINN., August 2.—With hundreds of telegraphers of the Great Northern and the Northern Pacific Railroads on strike to-night, and scores of stations closed, immense hindrance is experienced in the moving of many trains on both trans-continental systems affected. Through limited trains and time freight, by great effort, have been kept almost on schedule time, but attempts have been abandoned to maintain local freight and passenger schedule services. The greatest interference in schedules has been on the Idaho division, some of the fast trains being delayed five hours where the striking operators. It is alleged, turned the signal boards or opened the circuits.  
No accidents have occurred thus far. The long distance telephone is used for transmission of orders in many cases.

### A DAINTY WEDDING.

Miss Maude Underwood Becomes the Bride of Mr. Jordan.

(Special to The Times-Dispatch.)  
SMITHFIELD, VA., August 1.—A wedding, charming for its daintiness and originality, was solemnized in the Trinity Methodist Episcopal Church of Smithfield to-day at 12:30 o'clock in the midst of a large gathering of friends.  
The principals were Miss Maude Underwood, daughter of Mr. and Mrs. John Lee Underwood, and Mr. Richard McLaurin Jordan.

The church was decorated in a most artistic manner by the choir, Miss Underwood having been organist for several years. White hydrangeas with Virginia creeper and field grasses, banded the pulpit, making a beautiful background for the many candles.  
The bride wore a hand-embroidered linen suit, with lingerie hat, and carried a shower bouquet of lilies of the valley and bride roses.

Frank Underwood, the youngest sister of the bride, was maid of honor, and wore a hand-embroidered linen suit, with lingerie hat, and carried a shower bouquet of lilies of the valley and bride roses.  
The four bridesmaids were Miss Lillian Jordan, Miss Lottie Pulley, Miss Jack Underwood and Miss Virginia Underwood. All wore hand-embroidered linen suits, with lingerie hats, and carried a shower bouquet of lilies of the valley and bride roses.

The Rev. Mr. W. T. Green, pastor of the church, was the celebrant. Miss Ruth Compton presided at the organ, playing Mendelssohn's serenade during the ceremony.  
Mr. and Mrs. Jordan left on the mid-day boat for Old Point Comfort, and will spend the night at the Chamberlin, and will leave for a more extended tour tomorrow.

The wedding gifts, numerous and beautiful, typified the popularity of the young couple.  
Last night after rehearsal at the church an informal reception was tendered to the bride and party at the home of the bride's parents.

### TAKE FRENCH LEAVE.

Members of the Henrico Chain-Gang Depart Without Ceremony.  
Judge Scott in giving them two days off their terms for every day they worked, the prisoners who are known of in the Seven Pine line, have taken unceremonious leave from camp, and their whereabouts are unknown to the county officers.

Two of the prisoners escaped yesterday and three got away the day before. The jail was crowded with prisoners, serving sentences for trivial offenses, and Judge Scott decided that it would be a good plan to make them work for their liberty. He offered them the proposition that for every day they worked, he would take two days off their terms. Over thirty accepted the proposition at once, and out of this number five have escaped.

The officers of the court are laughing at many of the rumors in circulation, and frankly declare that they know of no foundation for them. The proceedings thus far had are the merest routine. The real work of the jury will begin after the completion of the vote and the tabulation of the result. Until then startling disclosures, if any there be, can hardly be expected. Quite as many persons predict that nothing will be discovered as prophesy that something startling is coming. From reliable information it may be stated that the jury does not know yet of any glaring frauds or inexplicable irregularities in the precincts examined since Monday morning.

Up to this time probably 2,000 of the 5,000 voters have been summoned, and only about 1,500 have testified. Estimating on this basis, it will take about seven more days to complete the poll, and it will likely require a week or more to consider, analyze and compare the figures thus made with the returns, and summon and hear witnesses on any question that may arise. It is likely, therefore, that the grand jury will be able to prepare and submit its final report to the court before Thursday or Friday of next week, and it may be Saturday instead.

## A JOINT DEBATE AT ROCKY MOUNT

Generally Believed in Political Circles That Governor Will Challenge.

### THE SENATOR WILL ACCEPT

Governor to Spend Week in the Southwest and Close Campaign Here—Senator's Plans.

Governor Montague is going to Rocky Mount next Monday. He is also going there, it is said, with the intention of challenging Senator Martin to a joint debate. This is practically certain, as is regarded as almost equally certain that Senator Martin will accept. The senator was not in the city yesterday, and has not been for several days. No one here would undertake to speak positively for him. There is good reason to believe, however, that the senator will accept the challenge.

Nothing definite or authoritative can be learned as to the terms of debate. Some of the senator's friends advise him to stand upon his right as a challenged party and propose the terms. Others urge him to accept the proposition and give the Governor the close, in order that he may have no reason to complain afterwards.

It is confidently expected that the majority of the audience will be friends of the senator, though the adherents of the Governor will make a great effort to gather their clans and cheer their favorite on. Senator Martin's friends have arranged a barbecue in his honor. Whether Governor Montague will debate before the barbecue crowd or not cannot be ascertained. At his headquarters yesterday a statement was made that it was known where he would speak. It was asked whether he expected to speak in the courthouse or out-of-doors, and no positive information could be had on this point.

The terms of debate cannot be foretold in advance of a challenge. If the terms of their former debate are reversed, Martin will open in a speech of an hour; Governor Montague will reply in an hour; Senator Martin will reply in half an hour, and Governor Montague will close in half an hour.

### Go to the Southwest.

Governor Montague will devote almost a week to a tour of the Southwest, chiefly in the Ninth Congressional District. His appointments are announced up to the 15th, leaving for four days (Thursday, Friday, Saturday and the day before the primary) to be utilized. From next Tuesday, August 16, Governor Montague will spend in the Southwest, chiefly in the Ninth District, but with one appointment each on the 15th and 16th of the Fifth and Sixth Districts. Here is the list:

Monday, August 17th, Rocky Mount, Franklin county; Tuesday, August 18th, Pulaski city; Wednesday, August 19th, Wytheville; Thursday, August 20th, Abingdon, Washington county; Friday, August 21st, Gate City, Scott county; Saturday, August 22nd, Pearisburg, Giles county; Sunday night, Christiansburg, Montgomery county; Monday, August 23rd, Galax, Grayson county; Fifth District: Tuesday, August 24th, Lexington, Tenth District.

Further than this, the Governor's plans are not made known. There is reason to believe, however, that he will close his campaign in the city, and it is likely that he will make more than one speech. Richmond is now claimed to be favorable to Senator Martin, and some of his friends are confident. Senator Martin will make three speeches in this city before the primary.

## NEW YORKER SUES PETERSBURG MAN

An Interesting Case With Some Very Unique Legal Points.

### WAR ON UNLICENSED DOGS

Preparations to Give the Governor a Big Crowd To-night.

PETERSBURG, VA., August 2.—In the Hastings Court to-day an interesting case was partially heard. A citizen of New York sued a citizen of Petersburg for a debt upon an alleged judgment obtained in the Municipal Court of New York city. The defendant demurred to plaintiff's declaration upon the ground that it did not state that the Municipal Court was a court of record, and had jurisdiction of the subject matter and of the person of the defendant, either by personal summons or by voluntary appearance.

Judge Mullen overruled the demurrer on the ground that juror's jurisdiction would be presumed, and averred that the defendant must controvert that fact, if he can, by plea and not by demurrer. Thereupon the defendant filed the plea of nul tiel record, and also a plea to jurisdiction. The case will be considered tomorrow upon these pleas.

CITY COUNCIL.  
At the meeting of the Common Council last evening, Mr. George Cameron, Chairman of the Finance Committee, introduced the general appropriations ordinance for the fiscal year beginning the first of September. It cannot yet be stated what will be the aggregate appropriations, as the estimates of expenditures by the various municipal departments have not been filed. The ordinance will be considered and perfected at an adjourned meeting of the Council, to be held on the 25th inst. It is thought, however, that the appropriations will exceed those of the present year.

The city is making arrangements to wage war on its unlicensed dogs. While the owners of valuable dogs are always prompt to pay the license tax on them, or to list them for taxation as property, many hundreds of worthless dogs escape license altogether. The law imposing a license tax on dogs has not been strictly enforced for years, and has been practically a dead letter. To catch and impound dogs is a very unpopular job, but the city is now seeking a man for the place and will pay for the service.

## MILFORD CHOKER IS UNDER ARREST

Man Terrorized Community By Making Attack On Woman. Probably Insane.

(By Associated Press.)  
MILFORD, MASS., August 2.—A period of terror, occasioned by the belief that an insane man has been entering MILFORD houses at night for the sole purpose of choking women, is thought to be ended by the capture last night of Samuel Miller. It is alleged that Miller was discovered in the act of choking a daughter of a Mr. Cossom, and jumped from a window to escape the father, breaking his leg. A number of instances have recently been reported, in which houses were entered and attempts made to choke some of the female members of the household. In no case, apparently, was robbery the motive, and the assaults were confined to attempts at choking. This led to the theory that the marauder was insane.

Resolutions of sorrow and respect were drawn up by the Virginia Historical Society, which are to appear later in the pages of the society's publication.

The Board of Managers of the Male Orphan Asylum yesterday morning also prepared a letter expressing respect for the death of Dr. Minor, and ordered that it be placed on record.

Among those who attended the funeral was a committee appointed by the president of the Virginia Society of the Sons of the American Revolution, which place at 6:30 o'clock yesterday afternoon from All Saints' Episcopal Church. Interment was made in Hollywood. A large crowd attended the funeral service, which was held in the body to its last resting place. Flowers were sent by the Virginia Historical Society, of which he was once a member, and there were many other floral tributes from friends of the deceased.

The pallbearers selected by Dr. Minor shortly before his death were Messrs. A. B. Clarke, G. E. Crawford, E. W. Moore, G. G. Minor, S. B. Adkins, M. J. Dimmock, Honorary Messrs. Gordon McCabe, Charles U. Williams, John L. Williams, P. R. Carrington, C. W. P. Brock, Joseph Bryan, A. R. Courtney and L. L. Lewis.

Charles T. W. Syfan, died Tuesday evening in the forty-second year of his age. The funeral will be from his late residence, No. 108 Fourth avenue, Chestnut Hill, at 5 o'clock this evening.
